# Holmes: A Serial Killer In His Own Words

## Synopsis

H.H. Holmes did what few serial killers ever do. He published a series of autobiographical documents that revealed his sociopathic tendencies--and lied about his crimes. The infamous killer of the Chicago World's Fair published a memoir and a confession, both of which conceal more than they reveal of the truth. Then he gave a speech at his hanging that recanted everything. This series of documents, edited and explained by Matt Lake, author of *Weird Pennsylvania*, show the dark but charming side of a man who lured somewhere between 24 and 200 men, women, and children to their deaths.
