# Cold Murder And Dark Secrets, A Red Pine Falls Cozy Mystery (Red Pine Falls Cozy Mysteries Book 2)

## Synopsis

An old body has been found in the water treatment plant and a mystery rises to hover over Abby's Grandmother, Hazel Morgan. To make matters worse, Hazel refuses to talk about anything that happened thirty years ago, casting suspicion that she might have been involved in the murder. Abby is forced to move quickly in order to discover the truth. But will the dark secrets she uncovers help, or will they just make things far, far worse?

## Customer Reviews

This is the second book in the Red Pine Falls Series and another huge success for Angela Blackmoore. Abby Morgan has settled in with her grandmother and is recovering from having already helped solve one murder when another dead body is found in the tiny hamlet of Red Pine Falls. Although some of the plot line is a bit unbelievable.... Abby taking on the State Police and a corrupt Senator is a bit farfetched but I can overlook that as the book itself is so well-written. Love the characters, love the evolving friendship/relationship with Gabe (Abby is a widow enmeshed in her grief when she first moves to Red Pine Falls), it's nice to see the characters and their

relationships developing in a realistic way through each new installment in the series. (I've read all but the last one that is not available until the end of the month. But you'll get no spoilers from me!) Occasional typos but otherwise well done and well edited. I'm a huge fan!

I am enjoying this series. I always am a little apprehensive when I start a new series. I was anxious at the beginning of the first one Hot tea and Cold murder, when it seemed like the story was going to get too wrapped up in the death of the spouse of the leading character, Abby Morgan, but luckily that is not the case. Abby quickly settled into the small Red Pine Falls community and finds a new best friend in a cafe owner, a handsome forest ranger friend, and a nice doctor friend. In the first book so much happens to Abby, that you can't help but pick up the second one. This book is very fast paced, and a delightful read as you get to know more about the past of Red Pine Falls and all of its characters. Abby is constantly getting into trouble and you are anxious to find out if she is going to solve the mystery or keep getting shot at. I am enjoying these easy reads with great twists at the end of each book.

Angela Blackmoore is a very talented writer. Her story is well written with interesting characters. While the main character is a young woman still getting over the heroic death of her husband a year and a half earlier, she is full of life and adventure. Living with her husband's grandmother who is also an understanding and lively person, she has some interesting adventures. What I enjoyed most about the story is the range of ages it represented accurately as well as a love interest and the mystery. It also helps that at the end of the next book is a teaser that peaks your curiosity for the next book in the series. All in all an excellent cozy mystery.

Skunks and buried treasure-what could be better? Abby is a believable character with foibles and deep localities. A fast paced plot this book was a pleasure to enjoy

Fun book, great and mostly lovable characters, and the story left me feeling good. I enjoyed the mystery, and the "done it" part. Loved book 1, and really looking forward to book 3! This author makes reading fun, thank you!

A cozy mystery you'll want to read through nonstop! The setting & the people make the story come alive. There's a lot of action & emotions, laughter & tears that keep everything together & interesting!

A story is always good when it links the past with the present, and a family secret is revealed. Some misspelled words and spelling mistakes, a couple of misplaced words but otherwise good.

Love this series. The characters are developing and there is a fun mystery to be solved. Definitely looking forward to the next book.
