## Synopsis

Secrets of Savannah: Six best friends who have known each other their entire lives. Once as thick as thieves, the friendships among the girls have been splintered by life events, secrets and deceptions. Now, brought together again by an inheritance of an historic Bed & Breakfast on Tybee Island, the women must set aside their differences in order to restore their beloved Savannah House. As each woman finds her special talent and develops it through the renovation of the inn, they also find romance—each of them with an unforgettable hero. The princess: Callie Duvall was raised in the lap of luxury in Savannah, Georgia after being adopted by the Duvall family at the age of five. When she discovers that her biological brother, Mac Donahue, is alive and well, despite having been told as a child that he was deceased, Callie realizes her life as a Duvall has been built on a foundation of lies. Seeking to distance herself from her father and his deception, Callie moves to the guesthouse of Savannah House, the famous resort where she worked summers as a teenager. On the brink of a whole new life, Callie begins spending time with her childhood friend, Jax Holden. Jax is funny, tender and sweet. But Callie isn't sure she can deal with her growing feelings for him. Life has taught her that love is a dangerous emotion and she can't help but fear that falling for Jax will make her world unravel. Businessman Jax Holden has been in love with his childhood friend, Callie Duvall, for as long as he can remember. For many years, Callie has viewed Jax as nothing more than a thorn in her side. Now, he's determined to win the love of the one woman who owns his heart and soul. As the two begin a relationship, Jax begins to feel Callie thaw toward him. But when Jax's employment with Duvall Investments, the company Callie's father owns, places him at odds with Callie, he'll have to fight to win Callie's love. Can Jax convince Callie to give their love the chance it deserves?

## Customer Reviews

It was great to finally read this book that brought Mac and Callie's family life full circle to a loving conclusion for both of them. Callie and Jax's long-time friendship turned to finally-recognized love was a fitting conclusion at the wedding of Mac and Delilah.

This was a wonderful book. I loved learning about Callie and her friends, Jax, Miss Hattie and Pearl. I can't wait to read more in the series. I loved how Mac was in the story. It helped the transition to the new series. Belle is a wonderful author.

"Till The End Of Time" is like a wonderful drink of refreshing water while wandering in the desert. After months of longing for more stories about the fabulous Donahue family, author Belle Calhoun gives us a breath of hope with the beginning of a new series that starts with Mac Donahue's mysterious sister, Callie, whom he was ecstatic to find near the end of the book of his life in the Seven Brides for Seven Brothers series. Callie had been adopted by a very wealthy, but hurting, family from Savannah, GA through a black market agency, and her existence prior to her adoption had been all but wiped from history. Callie's book begins shortly after she discovers that her adoptive parents purposely hid Mac's existence from her, having told her he was dead. "Till The End Of Time" weaves a moving tale of Callie leaving her adoptive family's mansion to try to make sense of her life, and her attempt to find happiness. I found the story believable because, though I enjoyed a wonderful childhood and great family life, some of my friends did not, and I ached for them as they tried to come to terms with sometimes unbelievable intrigue. I thoroughly enjoyed "Till

The End Of Time" and eagerly look forward to the rest of the stories in this series where glimpses of events in the lives of the Donahues will appear.

I had a hard time putting this novel down...it was that interesting. For me it was never wait to change plans always pray so God can show you the answer. Be honest with people you love & if you have something to tell them that might hurt them don't wait till it's too late & they find out another way. You never know when there is someone lurking in the background just waiting to hurt you. Also never give up on God.

A good book to follow after " The Donahue Boys". It brought closure to Mac and Callie's childhood and their ultimate reunion. Loved the romance between Callie and Jax, and the family and friends Callie acquired when she was moved to Savannah. Sweet, clean story.

Heart warming easy read. Love Love Love
