Dead Man Running: An Insider's Story On One Of The World's Most Feared Outlaw Motorcycle Gangs ... The Bandidos

Synopsis

"We are the people our parents warned us about" is the motto of the Bandidos, one of the world's most feared outlaw motorcycle gangs. For ten years, Steve Utah was a Bandidos insider. He arranged the security of their clubhouses. He 'cooked' ecstasy and ice for them. He was at meetings where interstate and overseas drug and weapons smuggling was planned. He saw stolen military weapons being sold. He witnessed vicious beatings, helped dump corpses. He saw men executed in front of him. It all became too much and, in an attempt to regain control of his life, Utah resorted to the unthinkable: he rolled over to the Federal Police and told them all he knew about the Bandidos. This shocking, unflinching, tragic story is Steve Utah's confession. He knows he is a dead man running - that inevitably the Bandido code will be honoured and he will be silenced. But not before Utah gets his chance to wake Australians to the looming threat in their midst - the relentless rise of sophisticated organised crime networks inside outlaw motorcycle gangs and the apparent inability of the Police and legal system to deal with it.

Book Information

Audible Audio Edition

Listening Length: 10 hours 54 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Bolinda Publishing Pty Ltd

Audible.com Release Date: June 15, 2011

Language: English

Best Sellers Rank: #24 in Books > Audible Audiobooks > History > Australia & Oceania #236 in Books > History > Australia & Oceania > Australia & New Zealand #665 in Books > Audible Audiobooks > Nonfiction > True Crime

Customer Reviews

I have been enthralled with the subject of Outlaw Bikers since I was a youngster. This book is a helpful look into the lives of the men who choose this way of life.

A lot of long winded talking, but great insight to the bumbling of law enforcement. Worth reading at least once.

very happy with product

This book was a terrible eye-opener when you consider it to be fact. It leaves one worried as to how the police will ever cope with the bikie situation now if they were so complacent back then.

A little scary knowing it is true, but a very good read

a little slow at the start but fastenating reading. he cuts through the false glammor and exposes the cold facts of the life of the 1% motorcycle gangs

This book did not seem to have as much to do with the biker scene as much as a criminal on the fringe of the biker scene. His story was not very interesting.

I found the book boring and not a insiders account of the Bandidos MC. It was obvious he held back his involvement in many of his tales.
