Understanding Business Ethics

Synopsis

Filled with real-world case studies and examples of ethical dilemmas, *Understanding Business Ethics, Third Edition* prepares students and managers alike to make ethical decisions in today's complex, global environment. Bestselling authors Peter A. Stanwick and Sarah D. Stanwick explain the fundamental importance of ethical leadership, decision making, and strategic planning while examining emerging trends in business ethics such as the developing world, human rights, environmental sustainability, and technology. In addition to presenting information related to the Association to Advance Collegiate Schools of Business (AACSB), the text's 26 real-world cases profile a variety of industries, countries, and ethical issues in a way that is relevant and meaningful to students' lives. The Third Edition features new cases from well-known companies such as Disney and General Motors, new coverage of emerging topics such as big data and social media, expanded coverage of corporate social responsibility, and more. Using an applied approach, this text helps students understand why and how business ethics really do matter!

Very imformative

Good!

Very Good!

For people who clearly enjoy preaching about ethics the Stanwicks clearly have no qualms about scamming college students out of far more money than their book is worth.

got for the kindle not to many pics but it is the full book

It's a book.

Very excellent textbook with real applicable concepts for today's business world.

Favorite course I took in college. (Taken directly from the author, Dr. Peter Stanwick)I needed the cash when the course was over, so I sold it back to the local bookstore, but it was cheapest here on and it is an easy read.Very interesting and he is supposed to have a newer edition come out that I will purchase as well!
