This was part of the suggested reading by our pastor before our church group goes to Israel. I thought it did a good job of explaining basic spots we'll visit in Israel with a background that dispels some of expectations created by western living and art. It also explained the theology that occurred at these sites which is most important part of the trip.

Fabulous, couldn't put it down, my wife grabbed it after I finished it and I ordered another copy. Dr. Dyer has been to Israel 38 times. It's a 30 day devotional but I read it in a week. He answered several controversial passages without intending to, just by being an eye witness. Buy one you

won't be sorry, in fact you better buy two!

"Thirty Days" is an excellent primer for the Christian first-time visitor to Israel. Charles Dyer hits on every major location from North to South, dispels many myths about locations and gives reassurances on others. His tendency to be preachy to a senior Christian audience shows his genuine faith.

This devotional book takes you right to the Holy Land. It's clear and easy to follow, with amazing new insights and practical inspiration. Whether you've been a Christian for a long time or are brand new, and whether you've been to the Holy Land or not, this is a wonderful book. We've been, and his writing brings our experiences back in what feels like 3D living color--and with new understanding every day!

Delightful remembrance of my recent visit to the Holy Land.

I got this book from a friend and loved it so much I ordered more for other people. It is so interesting and unlike any other devotional I have ever read. Could not wait to read each day.

This book truly touched me - some of the people from my church are going to the Holy Land in a couple of weeks and I just can't afford it right now so I purchased this book and the descriptions truly make me feel like I am there and the best part is the spirit just speaks to me as I am reading this book and I can truly feel Jesus presence with me in the journey. Love It!!!

Great devotional for those who plan to visit Israel.
